**User:** Here the username must be placed to login to Monex; this username can be changed in the future within digital banking

Once you have typed your username, it can be verified below the box on a message.

**Password**: You will be prompted to determine a Password; you must repeat it twice to avoid mistakes.

The syntax to be followed to create the password is as follows:

- Length: 8 characters combining letters and numbers (maximum 15 characters).
- Spaces are not allowed, accented letters, ñ, hyphens, diagonal or other symbols.
- No more than 2 consecutive identical characters (e.g., AAA, 666, XXX, etc.).
- No more than 2 consecutive characters numeric or alphabetic (e.g. ABC, 456, XYZ, etc.).
- Do not allow the use of the word MONEX case sensitive in the password.
- Not allowed the same user that is being created.
